Subpart G [Reserved]

Subpart H—Special Priorities Assistance

§ 700.50 General provisions.

(a) The DPAS is designed to be largely self-executing. However, it is anticipated that from time-to-time problems will occur. In this event, a person should immediately contact the appropriate contract administration officer for guidance or assistance. If additional formal aid is needed, special priorities assistance should be sought from the Delegate Agency through the contract administration officer. If the Delegate

Agency is unable to resolve the problem or to authorize the use of a priority rating and believes additional assistance is warranted, the Delegate Agency may forward the request to the Department of Commerce for action. Special priorities assistance is a service provided to alleviate problems that do arise.

(b) Special priorities assistance can be provided for any reason in support of this regulation, such as assisting in obtaining timely deliveries of items needed to satisfy rated orders or authorizing the use of priority ratings on orders to obtain items not automatically ratable under this regulation.

(c) A request for special priorities assistance or priority rating authority must be submitted on Form BIS-999 (OMB control number 0694-0057) to the local contract administration representative. Form BIS-999 may be obtained from the Delegate Agency representative or from the Department of Commerce. A sample Form BIS-999 is attached at Appendix I.

§ 700.51 Requests for priority rating authority.

(a) If a rated order is likely to be delayed because a person is unable to obtain items not normally rated under this regulation, the person may request the authority to use a priority rating in ordering the needed items. Examples of items for which priority ratings can be authorized include:

- (1) Production or construction equipment;
- (2) Computers when not used as production items; and
- (3) Expansion, rebuilding or replacing plant facilities.

(b) *Rating authority for production or construction equipment.* (1) A request for priority rating authority for production or construction equipment must be submitted to the appropriate Delegate Agency. The Delegate Agency may establish particular forms to be used for these requests (*e.g.*, Department of Defense Form DD 691.)

(2) When the use of a priority rating is authorized for the procurement of production or construction equipment,
